Prijava na Rotator Traffic Pods

Autor: Vlado Krajčinoić

Ovo uputstvo pišem za sve vas koji se želite promovirati na Internetu. Dobili ste svoj affiliate link i sad neznate što dalje. Želite se prijaviti na <http://www.trafficpods.com/index.jsp?fref=vkrajcin>, ali neznate kako. Pročitajte ovo uputstvo pa će vam sve biti jasno.

Par riječi o Rotatorima ili Hit Exchanges. Ima ih na stotine. Najbolji su ts25, **Traffic Pods**, TrafficG, S.W.A.T. I Love Hits, StartExchange itd.

Mislím da vam je jasan princip rada rotatora. Imaju 2 frame-a, u gornjem su brojevi, ikone ili riječi na koje klikate. Kod **Traffic Podsa** klikate na najveći broj. U donjem frame-u prikazuju se web stranice i one se rotiraju kada vi klikate na gornje brojeve ili ikone. Vrijeme prikazivanja stranica varira od rotatora do rotatora. Na ts25 i **Traffic Podsu** je 15 sekundi, na S.W.A.T i I Love Hits je 10 sekundi, a kod TrafficG je čak 30 sekundi.

Pošto sam najviše na **Traffic Pods** i ts25 to ću vam reći nešto više o njima. Oba rotatora su od iste kompanije što vam daje neke dodatne mogućnosti. **Traffic Pods** je jedan od najboljih rotatora Odnos klicanja i prikazivanja vaše stranice je je 1:5, vi 5 puta klikate, dok oni prikazuju 1 puta vašu promotivnu web stranicu. No to se može promjeniti na odnos 1:1 kad postanete Platinum member. To vas košta 20 dolara mjesečno.

Kako se prijaviti na Traffic Pods?

Problems validating a URL?

Vaš link je dodan na **Traffic Pods** i kao takav pokazao se, no morate ga potvrditi. Kliknite na crveno polje kako je prikazano da bi izvršili verifikaciju.

Ovo je proces verifikacije vašeg linka na **Traffic Podsu**. Ovdje se provjerava da vaš URL nije framebreaker. Kada to prođete možete započeti svoju promociju.

Kada nakon dužeg surfanja nakupite dovoljno kredita možete na ovaj način platiti prikazivanje vaše web stranice. Ja ovdje promoviram svoj web site 500 puta.

Ovo je moj trenutni položaj na **Top 50** natjecanju. Dok surfate vi se natječete sa drugim surferima za što bolje mjesto na rang listi. Prvih 10 mjesta donosi vam dodatnih 5.000 kredita, što je mnogo. Zbog toga se vodi žestoka borba za što bolju poziciju.

Ovo su moji članovi (referral) na **Traffic Podsu**. Kao što vidite trenutno ih imam 22. To je odlično, jer vi dobijete dodatne kredite, ako imate aktivne referale. Što imate više članova to vi trebate manje surfati.

Trebate li bilo kakovu pomoć možete je potražiti na **Support Centru**.

Ako želite više kredita da se možete bolje promovirati morat ćete postati **Pro Member**. To košta 20 dolara mjesečno.

Mislím da je ovim sve obuhvaćeno. Sada je samo na Vama da se prijavite i počnete surfati.

SRETN O!
